“Aerospace Dynamics International (ADI) is proud to do business and expand our operations within the Santa Clarita Valley. The City’s Use Tax Incentive Program provided us the opportunity to save a significant amount of money in permit fees that we can then use to reinvest in our business and the community.”

BILL BARRIT
CHIEF FINANCIAL OFFICER
ADI

“Aerospace/Defense firms and other area employers have found that the labor shed is large and expanding and that they can attract highly skilled workers at much less cost than in other parts of the Los Angeles area.”
