

*For our First Line Leadership program in Operations we selected College of the Canyons' Employee Training Institute (ETI) to partner with us. They worked closely with us to customize the course for our needs, and our people. ETI was flexible, high quality, and priced reasonably for our training.*

The Employee Training Institute has been providing job training skills to employees of local employers for more than 20 years. We strive to be the business partner of choice for high quality, customized, convenient, and affordable training services.

### **Trainers**

ETI trainers are subject matter experts in their field. They may work in their field of expertise or may be organizational consultants, professional trainers, and/or college faculty. Trainers ensure that each class experience is unique, educational, and enjoyable and result in skill improvements that contribute to your bottom line.
